“Support from the SSA has had a direct impact upon our ability to encourage more people to play more of our sport”

“The SSA has supported us in thinking innovatively about how we deliver our targets. This has been most noticeable in our work in engaging new members”

“The SSA is a unique environment for any SGB. It provides us with the diversity of other views and opinions”

“The SSA plays a significant role in promoting collaboration across sports”

“The SSA gave me the confidence and assurance when I first took up the post of CEO to realise that I did not need to work alone and that there are supporting people outside of my sport, to help me through the tough times”

“I find the networking and meeting opportunities offered by the SSA to be invaluable to me both in personal growth and in the attainment of best practice from other Governing Bodies”

“The sharing of resources, polices and ideas amongst SGBs is the essence of the SSA and the backbone of any SGB’s work”

“The SSA provides excellent leadership, advice, information and above all a friendly platform to share SGB best practice outwith my own sport”

“The work of the SSA in providing services to and representing the views of Governing Bodies is invaluable”

“Access to political parties and politicians through the SSA allows SGBs to continue to raise the profile of sport and its benefits as well as to support the work of sportscotland within the delivery of a collective strategy for sport in Scotland”

“The SSA plays a vital part within our organisation”

“The SSA provides value beyond measure”
